

These statistics are some of the statistical title extracted from “Financial Statistics of Agriculture, Forestry and Fisheries in Japan 2014”, edited by Norinchukin Research Institute, published by The Norinchukin Bank.

Remarks :

- 1 . This book contains statistics centering on those as of the end of March, 2013 or during Fiscal Year, 2013 together with annual figures of past 5-7 years in principle and adds monthly or quarterly figures when more details are required.
- 2 . As figures are generally counted fractions of 0.5 and over as units and cut the rest, the total figures do not coincide with summing up of the breakdowns.
- 3 . Symbols :
 - 0 less than unit
 - magnitude nil
 - … not available
 - △ negative numbers or decreases
 - P provisional figures
- 4 . When sources are not mentioned at the footnote, they are all those from surveys by the Norinchukin Bank.
- 5 . Some of the figures before the latest year were corrected or revised by checking the latest original sources.
- 6 . Abbreviations used in this book.
