

These statistics are some of the statistical title extracted from “Financial Statistics of Agriculture, Forestry and Fisheries in Japan 2023” edited by Norinchukin Research Institute, published by The Norinchukin Bank.

Remarks :

1. This book mainly shows statistical figures as of the end of March, 2023 or during Fiscal 2022, as well as annual figures of past 5-7 years. In addition, monthly or quarterly figures are provided when needed.
2. Figures are generally rounded to the nearest unit. Therefore, total may not always be exactly same as sums of the items.
3. Symbols :
  - 0 less than unit
  - magnitude nil
  - … not available
  - △ negative numbers or decreases
  - P provisional figures
4. Surveys are conducted by The Norinchukin Bank if sources at footnote are not mentioned.
5. Some figures in the past years and months have been retrospectively corrected.
